# NZ Beech

## Solid Timber Flooring

Product Code: NT-BE.01

New Zealand Beech is the epitome of fine New Zealand hardwood timbers. Offering a range of varying tones from the subtle grained Maple Beech suitable for modern architectural projects where clean lines and a light aesthetic is needed, through to the unique appearance of our Rustic-grade Silver Beech, ideal for creating warmth and personality within spaces. Sustainably harvested from the west coast of Southland, New Zealand Beech is a true New Zealand hardwood.
