Eucalyptus

Solid Timber Flooring

Product Code: NT-EU.01

Eucalyptus Saligna, Fastigata and Mountain Ash make up the range of Eucalyptus hardwoods we provide. Each portraying different aesthetic appeals – from the deep velvet red colour of Saligna to the more stringy grained Fastigata. Eucalyptus is a naturally hard timber ideal for solid timber flooring where high impact is likely. Locally sourced from purpose-grown plantations across New Zealand and converted to timber flooring through cutting-edge processing, resulting in a range of fine timber flooring to accompany any design.
