# Eucalyptus

## Plantation Grown Eucalyptus

-----  
**Product Code: NT-EU.03**  
 -----

Eucalyptus hardwood decking timber offers the credentials needed to perform in New Zealand’s harsh climatic environments. A proven performer with excellent natural durability of a heartwood equivalent to H3.2, dimensional stability, high wearing and impact resistant. Harvested from pocket plantations across the North Island of New Zealand, Eucalyptus is an excellent, sustainable alternative to imported hardwood.
