Macrocarpa

Flooring

Product Code: NT-MC.01

Macrocarpa is one of the most versatile exotic timbers New Zealand has to offer. With a distinctive full feature character and a light honey aesthetic, Macrocarpa is a highly workable timber offering a wide range of dimensions and finishes that will compliment a range of design elements. Macrocarpa is a locally sourced, exotic timber, which is predominantly sourced from purpose-grown plantations or unwanted, felled farm trees. Readily accepting of our range of coloured natural timber care oils Macrocarpa is a beautiful chemical-free option for your timber flooring.
