# Macrocarpa

## Decking

-----  
**Product Code: NT-MC.03**  
 -----

Macrocarpa decking offers natural durability equivalent to H3.1 and the ability to provide large dimensional sections ideal for large landscaping projects, kindergartens, walkways or areas where large plank sizes are required. Sourced sustainably from local farmers and also purpose-grown plantation forests in the central North Island, Macrocarpa is a beautiful and sustainable option for your exterior deck or landscaping project. Healthy and free from chemicals, Macrocarpa is a child-friendly, safe alternative for decking timber.

# Technical Specifications
